

Riviera 40 Platinum Flybridge

AU \$474,900

Martin Box Marine Fremantle

The wait is over and it's been worth it. There has not been a Riviera 40' offered for sale for some time and this neat 2003 Platinum model is sure to attract immediate attention. Powered by the preferred 430Hp Volvo diesels showing only 832 hours, this vessel really ticks all of the boxes as it also has the upgraded 9Kva Kohler generator for all onboard systems. The luxurious interior offers a master cabin with a queen sized island berth and a guest cabin with three single bunks. The mezzanine galley has loads of storage and is optioned with a dish draw dishwasher along with Nova Kool refrigeration. The large cockpit also has a substantial refrigerated ice-box, Teak dinning table and a full length awning for comfortable outdoor entertaining. Other features include grey disc registration for the more desirable mooring options at Rottnest Island, Citor water maker, 400Kg fore-deck crane, Solar system, Zodiac tender with a 15Hp Yamaha outboard, game poles, under water lights, extended swim platform and Raymarine Touch screen navigation equipment including Auto -Pilot. This model is the most popular ever produced by Riviera and for good reason as they really are the perfect family vessel with everything you will need for extended stays at your favourite island and remote coastal cruising.

We take the hassle out of buying or selling your boat. Located at Fremantle Sailing Club we are Perth's longest standing dealer in new and used boats. We sell vessels from all over Western

Australia and interstate. We assist you with insurance, finance, interstate delivery, detailing, servicing and berthing.

Thought about selling your boat? Whether your first or your fifth boat, we are here to make your buying or selling experience an easy and professional one. Bring your vessel to us or sell it from it's home berth. We are a Western Australian BIA member, Club Marine Insurance and Nautilus Insurance agents and pride ourselves on repeat business. Whether you are buying or selling, we are here to assist and look forward to hearing from you.

We have used our best endeavours to ensure that the information contained herein is true and accurate, but accept no responsibility and disclaim all liability in respect of any errors. Any prospective purchaser is encouraged to verify any specifics on specification or condition of a used vessel by way of a third party inspector.
