

Riviera 43 Flybridge

AU \$449,900

In perfect original condition, this is an outstanding three cabin version of the popular Riviera 43 Flybridge Cruiser in immaculate condition both above and below decks. With only two owners since new, this is the best we have ever seen and comes highly optioned with the big 480HP VOLVO TAMD 74EDC Diesels with digital controls and a second helm station in the cockpit for easy solo handling. The fully airconditioned interior has gloss timber throughout and a light and bright mezzanine galley along with fabulous accommodation with a spacious twin single bed cabin, forward master cabin with a queen size island bed and a third cabin with two more single bunks. This is the outstanding feature of the three cabin version which are highly sought after. Other features include a fore-deck crane for the new Sirocco Tender, Garmin electronics and a desalinator for endless fresh water. This is truly the best Riviera 43 available Australia wide and is the perfect family cruiser. Don't miss out on this beauty.

We take the hassle out of buying or selling your boat. Located at Fremantle Sailing Club we are Perth's longest standing dealer in new and used boats. We sell vessels from all over Western Australia and interstate. We assist you with insurance, finance, interstate delivery, detailing, servicing and berthing.

Thought about selling your boat? Whether your first or your fifth boat, we are here to make your buying or selling experience an easy and professional one. Bring your vessel to us or sell it from it's

home berth. We are a Western Australian BIA member, Club Marine Insurance and Nautilus Insurance agents and pride ourselves on repeat business. Whether you are buying or selling, we are here to assist and look forward to hearing from you.

We have used our best endeavours to ensure that the information contained herein is true and accurate, but accept no responsibility and disclaim all liability in respect of any errors. Any prospective purchaser is encouraged to verify any specifics on specification or condition of a used vessel by way of a third party inspector.
