

Westcoaster Flybridge Cruiser

AU \$315,000

This stunning Westcoaster Flybridge Cruiser is an entertainer's dream, offering plenty of space to sit back and relax whilst cruising! As you step aboard you immediately notice the large cockpit area, providing ample room to set up a table and chairs and enjoy a refreshment under the shade. The layout features a seamless flow through the sliding doors to an open plan saloon, fitted out with a comfortable lounge almost running the full length and a dinette with seating to comfortably host up to 4 guests. Further forward is a well-equipped galley, featuring a full-sized refrigerator, 4 burner stove top, microwave, plenty of bench space for preparing meals and more, everything you need for a comfortable overnight stay!

This Westcoaster is designed and engineered with comfortable cruising in mind. Featuring two cabins, each well-appointed with air-conditioning and a double berth, in addition to this, the lounge and dinette also convert to a double berth each, providing overnight accommodation for up to 8 guests onboard! The flybridge hosts a significant amount of space for socialising around the helm, featuring a large U-shaped lounge that wraps around 2/3 of the flybridge, ensuring that everyone can remain a part of the action. Completely enclosed and protected from the elements, you can rest assured you will have a smooth and dry trip to your destination!

Sporting a wide range of key features and recent upgrades, this vessel is a stand-out and well worth an inspection.

Key Features:

- Volvo Penta TAMD 163P Main Engine: 25 hours since recondition (New pistons, Big ends, Coolers fully serviced, Heads machined/fully serviced, Liners, New valves and valve springs)
